

High Performance Conductors, Inc.

A SUBSIDIARY OF IWG

Environmental, Health & Safety Policy

While maintaining the status as a leader in the wire and cable industry, IWG High Performance Conductors, Inc. is committed to proactively managing the business in a manner consistent with the company's environmental, health and safety management systems. Our goal is to achieve and maintain zero environmental and safety incidents. To achieve this commitment and our goal we will:

- ❖ Establish targets and objectives aimed at **continually improving** our environmental, health and safety management systems;
- ❖ Promote **environmental, health and safety awareness** throughout the workforce;
- ❖ **Comply** with applicable environmental, health and safety, regulations and standards in a proactive manner;
- ❖ Investigate and encourage **pollution prevention** opportunities;
- ❖ Periodically **measure** the effectiveness of our environmental, health and safety management systems.
